

Jade Huang

Vice President and ESG Portfolio Manager, Calvert Research and Management

As vice president and ESG portfolio manager for Calvert Research and Management, Ms. Huang is responsible for managing the suite of Calvert Responsible Indices, including the index construction processes, as well as developing new investment products at Calvert. She joined Calvert Research and Management in 2016.

Jade began her career in the investment management industry in 2005. Before joining Calvert Research and Management, she was a portfolio manager with Calvert Investments. Previously, she was an investment analyst at Microvest, an asset management firm specializing in impact investing, and led the certification department at Fair Trade USA.

Jade earned a B.A. from the University of California, Berkeley and an M.A. in international finance and economics from Johns Hopkins University, School of Advanced International Studies (SAIS).
