

Jeffery Chang, CFA, CPA, CFE

Co-Founder and Managing Director, Cboe Vest

Jeff is the co-founder and managing director of Cboe Vest, an asset management firm subsidiary of the Chicago Board Option Exchange (CBOE), the largest US options exchange and creator of listed options. Jeff started his career at the World Bank in its East Asia Pacific sector, and he continued on at Freddie Mac and Primatics Financial Consulting. He also worked for FBR, a middle market investment bank, working with their trading platform. Jeff is currently a CFA charterholder. He was also a Certified Public Accountant (CPA), Certified Fraud Examiner (CFE), and held Series 7, 24, and 63 securities licenses. He attended the United States Naval Academy and Georgetown University.
