

Robert Hellmann

President, Hellmann Career Consulting

Robert Hellmann, President of Hellmann Career Consulting, has helped over 1,000 individuals to achieve career success and dozens of organizations to improve effectiveness via executive coaching and workshops. Rob is a LinkedIn-Certified Professional Recruiter, and has been in private practice since 2003. As a career coach and executive coach, Rob helps clients almost every day to define and achieve their career and job-search goals, develop as managers and leaders, and navigate through challenging work situations.
