

Stephen Solaka

Managing Partner, Belmont Capital Group

Co-founder of Belmont Capital Group, Stephen Solaka has more than 20 years of experience in equity risk management, options, and portfolio management. Prior to founding Belmont, Stephen worked as a Director at Dorchester Capital Advisors, an advisor at UBS Private Wealth Management, and Vice President of Equity Derivatives at TD Options. He also held equity, ETF, and index option market-making positions at Bear Wagner Specialists and Ronin Capital. Stephen was formerly a member of the Chicago Board Options Exchange, Chicago Board of Trade, and American Stock Exchange. He holds a B.A. in Finance from the Eli Broad College of Business at Michigan State University, and is frequently quoted by Barron's, The Wall Street Journal, and Bloomberg for his knowledge regarding options and hedging.
