

Kevin Killeavy, CFA

Co-Chief Investment Officer, Montgomery County Employee Retirement Plans

Kevin Killeavy is a Co-Chief Investment Officer at Montgomery County Employee Retirement Plans (MCERP), a retirement system responsible for overseeing roughly \$8.5 billion in defined benefit and defined contribution assets. His responsibilities include asset allocation, risk budgeting, manager selection, and portfolio management across public and private market asset classes. Prior to joining MCERP in 2015, Kevin held an investment research position with a large multi-family office. Kevin earned a BS in Finance from Georgetown University and is also a CFA Charterholder.
